

Silver Meadows Camp

June 5, 2009

To Whom It May Concern:

As a Christen orientated summer youth camp, we require the assistance of numerous individuals to run our Camp each and every year. As our volunteers will be working directly with or, in close proximity too, persons at risk, we require that each of our staff provide a criminal records check prior to the start of camp each year. As a non profit, volunteer run organization who requires these check as a condition of being on site, please do not charge the holder of this letter for the services of providing a criminal records check.

Should you require further information about my self or Silver Meadows Camp, please contact me at (780) 618-2607 or via e-mail at [salttoday@yahoo.co.uk](mailto:salttoday@yahoo.co.uk).

Thank you for your time,

Sincerely,

Jennifer Straub
